About MD

Founded in 2019, MD Dental has rapidly emerged as one of the fastest-growing dental suppliers in Egypt. With a deep understanding of the Egyptian dental market and a commitment to excellence, we've established ourselves as a trusted partner for dental professionals nationwide.

Our journey began with the establishment of Al Maard Al Daem, a successful dental retail outlet. Building on this foundation, we expanded our operations and launched MD Dental to provide comprehensive dental solutions, including a wide range of innovative products and services.

Today, MD Dental is a leading distributor of renowned international brands, covering 20 out of 27 governorates in Egypt. We are dedicated to empowering dental professionals with the tools and knowledge they need to deliver exceptional patient care.

By prioritizing customer satisfaction, delivering high-quality products, and fostering strong partnerships, we've established a solid reputation in the industry. As we continue to grow, we strive to contribute in shaping the future of dentistry in Egypt by:

- Elevating Oral Health: Providing cutting-edge solutions that improve oral health outcomes.
- Empowering Dental Professionals: Supporting dental professionals with the latest tools and knowledge.
- Expanding Our Reach: Exploring new markets and opportunities to bring our expertise to a wider audience.
- Driving Innovation: Pioneering private label dental manufacturing to offer innovative and cost-effective solutions.

With a vision to become a regional leader, we are actively exploring opportunities in neighboring markets. Our goal is to empower dental professionals and enhance oral health across the region.

Vision

MD Dental constructed its strategic goals carefully and fosters its capabilities and competences, armed with its deep passion and the hungry for success to be among the top five dental suppliers in the Egyptian market by 2025, to actively contribute in shaping the future of oral health in Egypt and neighboring markets.
